4EDGE LIMITED

4edge specialises in producing high quality digital book printing for all kinds of books and journals for a wide range of customers, from the very largest global publishers through to small publishers, self-publishers and first-time authors. We are small enough to care, but big enough to cope. We provide an extremely flexible and affordable service, with fast turnaround times, to cater for every customer requirement.

Using the world's fastest and most productive digital printing and binding systems, we aim to exceed – not just meet – customer expectations.
